

# OPEN CALL!

## LULEÅ DANCE RESIDENCE 2019

Luleå kommun and Dansinitiativet are now opening the application for Luleå dansresidens 2019. During the fall 2019 Dansinitiativet will house two residences in their new venue in Luleå. The residence offers access to the stage, accommodation in an apartment in the city center, technical support, some access to car and a financial support. Applicants must be professionally active in movement-based performing arts and can be in the beginning, the middle of or at the end of their process.

### ★ RESIDENCE 1 7 – 20 OCTOBER

Stage / production area

Accommodation in apartment in the city center for 2-5 people

Production support: SEK 50,000 on invoice (incl. per diem and travel costs administered by the resident holder)

### ★ RESIDENCE 2 25 NOVEMBER – 15 DECEMBER

Stage / production area

Accommodation in apartment in the city center for 2-5 people

Production support: SEK 70,000 on invoice (incl. per diem and travel costs administered by the resident holder)

During the residency, we want the resident holder to lead daily training for dancers at least once, and have an open showing of the process / performance. If you are in the final stage of your process and premiere is of interest/ a possibility, please state this in your application.

### APPLY THE APPLICATION MUST CONSIST OF:

- Brief description of the production, who you are and where you are in the process
- CV and links to movement-material
- Number of participants

Send the application to:

[kontakt@dansinitiativet.se](mailto:kontakt@dansinitiativet.se)

- Last date to apply 1/6
- Call back date 30/6

The residence is fully financed by Luleå kommun and run by Dansinitiativet. Dansinitiativet is an independent dance company that works with movement-based performing arts with Luleå and Norrbotten as a base. Our aim is to work with movement-based performing arts within the local and regional context. Our method is to create dance and circus art of high quality and clear topicality for all ages with a desire to include the population.
